Plant a Pollinator Paradise Garden

Native pollinators such as bees, butterflies, and hummingbirds need our help. Through the years, their populations have decreased due to loss of habitat and lack of food sources. In this program series, learn how to create a pollinator paradise for in the home garden!

April 14th @ 6:00pm CST — Pollinators & Their Importance
April 21st @ 6:00pm CST — Gardening with Bees in Mind
April 28th @ 6:00pm CST — Butterfly Gardening
May 5th @ 6:00pm CST — Attracting Hummingbirds

All classes will be held at the Barren County Cooperative Extension Office located at 1463 West Main Street in Glasgow, KY.
For more information or to register, contact the Barren County Cooperative Extension Service at (270) 651-3818.
